## About The Artist

### Tomas Alvarez

I'm Tomas Alvarez from Woodbury, Minnesota. My photography is my sanity — an escape from the daily grind. When I'm not working as a Software Engineer, or with family, you'll find me — camera in hand, somewhere between Michigan's UP and the Black Hills of South Dakota. Listening to the waves of Lake Superior, watching leaves fall on a trail in deep Autumn, and witnessing the dawn of a new day are just a few of nature's gifts that keep me on my photographic journey.
