# Artist Statement

My name is Carole Euerle, I grew up in central MN up till 5 years ago when we moved to Shevlin, MN. I started my watercolor journey about 20 years ago when I was encouraged to take a community ed class from a friend, as a result, from the very first class I haven't put my brush down! I have always been drawn to painting portraits which has led to this series of "Yellowstone". My goal with each portrait is to capture the light, mood and personality of each subject. ' I think of art as the highest level of creativity. To me it is one of the greatest sources of enjoyment "- David Rockefeller
