The background features abstract geometric shapes. On the right side, there are overlapping triangles in shades of light blue and dark navy blue. At the bottom left, there is a gold-colored triangular shape. The text is positioned on the left side of the page, within the white space.

Gina is an intuitive abstract painter. Her process journeys inward to a site of discovery, growth, challenge, and stillness as she bonds materials to surroundings, finding trust in the act and beauty in each layer. Through her meditative process, she infuses patience and adaptability into her work, welcoming new techniques and compositions as they develop and form in real time. Gina's dreamlike works mingle themes of place, nature, nostalgia, color relationships, and energy. Her hope is that when the viewer experiences the work, it sparks something familiar: a place they've been, a memory they've had, a feeling they've experienced. Her ethereal paintings work to soothe the mind and create space for moments of contemplation and connection to ourselves, to others, and to the landscapes we inhabit.
